

CPS 150 Review Session #3

Branching

Review Activity

What would be the result of the following String methods?

```
String greeting = "Hello, World";  
  
greeting.toUpperCase(); // HELLO WORLD  
greeting.length(); // 12  
greeting.charAt(4); // o  
greeting.substring(2, 8); //llo, W  
greeting.substring(7); // World
```

Evaluating Expressions

```
String myString = "Hello";
boolean myBool = false;

// Expression 1
(15 < 27 && (23 != 15 + 8)) // false

// Expression 2
(34 < 0 || myBool) // false

// Expression 3
(!myString.equals("Goodbye")) // true

// Expression 4
(myString.equalsIgnoreCase("HELLO") && (2 > 4 || !myBool)) // true
```
